

With over 25 years experience catering to the electrical industry, VGL-Allied Connectors is pleased to now offer complete cable assembly solutions for small scale or large volume applications. Our services include:

- ▶ Capability to produce basic *connector/cable* assemblies to higher density *connector/cable/junction box* configurations
- ▶ Ability to source commercial grade, QPL or Defence specification components for all your assembly applications
- ▶ Ability to manufacture customised cable and connectors to specific requirements for assembly
- ▶ Ability to cater to larger volume assemblies through our partners in Europe and Asia for industrial and defence related applications

**Certifications:**

IPC/WHMA-A-620B: Requirements and Acceptance for Cable and Wire Harness Assemblies

ISO 9001:2008 Quality Management System

Please contact us to discuss your cable assembly requirements.

## SAMPLE CABLE ASSEMBLIES FOR INDUSTRIAL APPLICATIONS

Industrial excavation vehicle

Industrial mining application

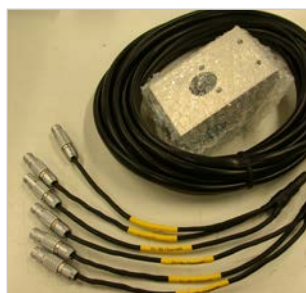

Assorted switchbox applications

## SAMPLE CABLE ASSEMBLIES FOR DEFENCE APPLICATIONS

Defence remote 3-phase power generator

Crash test model testing unit

Remote air conditioning unit
